A Brush with Kindness will do more than give a facelift to needed homes, ABWK will....

Embrace the mission of eliminating substandard housing
Create a program that allows for greater community support
Establishes sponsorships based on Neighborhood Revitalization Initiatives
Provides more volunteer opportunities for people of all ages

Who are you? What inspires you?

Are you looking for mission outreach opportunities right here in our community?

Is your church culture focused on ministering outside of the temple walls, like Jesus did?

Is your church ready, willing and able to fulfill tangible needs in your own backyard?

A Brush with Kindness is a program that helps homeowners that are struggling to restore and maintain a safe and decent place to live.

When basic expenses exceed income month after month, home maintenance is the usual casualty.

Years of deferred maintenance can cause a downward spiral of home deterioration and unsafe living conditions.

A Brush with Kindness (ABWK) focuses on minor repairs, painting, and landscaping.

Here are some basic questions that will help to identify the neediest:

Are you living in challenging circumstances which have created issues that are beyond what you can handle?

Are you struggling to keep your home in livable condition?

Have you had to choose between paying for food, medication, taxes and basic utilities?

Are you facing city code violations or homeowner insurance cancellation due to the condition of your home?

Here is a representative look at the minor repairs that are done through ABWK:

Window repair (screen, glass, glazing), scrape, paint, caulk, door replacement, minor siding & trim repair, landscaping (pruning/trimming, weeding, reseeding), clean up, brush removal, junk removal, board replacement in porch/stair ramp & soffit/fascia replacement.

What we can Offer you;

An opportunity for a challenging and exciting mission outreach, while in partnership with a faith-based organization.

By eradicating sub-standard housing in our local community one home at a time, one family at a time, you will fulfill tangible needs while also demonstrating biblical principles to others.

Churches who have partnered with us in the past tell us repeatedly that they received much more than they gave.
